Item of Form (identify)	Answer	
1.A.	<p>ASC provides advisory services of three general types: Strategic, Tactical and Operational. Under Strategic, we advise on asset allocations and guide in formalizing strategies into an Investment Policy. Under Tactical, we help clients implement their strategy by finding and identifying managers that meet the style mandates of the chosen asset allocation. We also assist in the transition of assets from one manager to another. Under Operational, we provide ongoing evaluation and measurement of managers retained by clients to assure that the managers are performing according to the requirements of the Investment Policy.</p> <p>ASC prefers to bundle its services under a retainer-based fee to be paid in arrears. The basis of the fee is four to six basis points of the client's assets under management or as otherwise negotiated. We do not accept soft dollar compensation.</p>	
4.A.5	<p>In investment manager analysis or recommendation work, we use total return calculations. For investment managers not in our data base, we obtain total return data for prior periods from the managers. For evaluation of current client managers, our total return calculations are done by ASC personnel using copies of the independent custodial reports. For those accounts where ASC acts as a discretionary manager, we use fundamental and other methods. Specifically, if assets are equities, we try to identify those sectors which are undervalued or overvalued and buy/sell a diversified selection of securities in those sectors -- oftentimes using mutual funds. In a bond account, we try to anticipate the direction of interest rates and buy/sell securities accordingly.</p>

(for sponsors of wrap fee programs)

Name of wrap fee program or programs described in attached brochure:

1. **Applicability of Schedule.** This Schedule must be completed by applicants that are compensated under a wrap fee program for sponsoring, organizing, or administering the program, or for selecting, or providing advice to clients regarding the selection of, other investment advisers in the program (“sponsors”). A wrap fee program is any program under which a specified fee or fees not based directly upon transactions in a client’s account is charged for investment advisory services (which may include portfolio management or advice concerning the selection of other investment advisers) and execution of client transactions.
2. **Use of Schedule.** This Schedule sets forth the information the sponsor must include in the wrap fee brochure it is required to deliver or offer to deliver to clients and prospective clients of its wrap fee programs under Rule 204-3 under the federal Advisers Act and similar rules of jurisdictions. The wrap fee brochure prepared in response to this Schedule must be filed with the Commission and the jurisdictions as part of Form ADV by completing the identifying information on this Schedule and attaching the brochure. Brochures should be prepared separately, not on copies of this Schedule. Any wrap fee brochure filed with the Commission as part of an amendment to Form ADV shall contain in the upper right corner of the cover page the sponsors’ registration number (801-).
3. **General Contents of Brochure.** Unlike Parts I and II of this form, this Schedule is not organized in “check-the-box” format. These instructions, including the requests for information in Item 7 below, should not be repeated in the brochure. Rather, this Schedule describes minimum disclosures that must be made in the brochure to satisfy the sponsor’s duty to disclose all material facts about the sponsor and its wrap fee programs. **Nothing in this Schedule relieves the sponsor from any obligation under any provision of the federal Advisers Act or rules thereunder, or other federal or state law to disclose information to its advisory clients or prospective advisory clients not specifically required by this Schedule.**
4. **Multiple Sponsors.** If two or more persons fall within the definition of “sponsor” in Item 1 above for a single wrap fee program, only one such sponsor need complete the Schedule. The sponsors may choose among themselves the sponsor that will complete the Schedule.
5. **Omission of Inapplicable Information.** Any information not specifically required by this Schedule that is included in the brochure should be applicable to clients and prospective clients of the sponsor’s wrap fee programs. If the sponsor is required to complete this Schedule with respect to more than one wrap fee program, the sponsor may omit from the brochure furnished to clients and prospective clients of any wrap fee program or programs information required by this Schedule that is not applicable to clients or prospective clients of that wrap fee program or programs. If a sponsor of more than one wrap fee program prepares separate wrap fee brochures for clients of different programs, each brochure must be filed with the Commission and the jurisdictions attached to a separate copy of this Schedule. Each such brochure must state that the sponsor sponsors other wrap fee programs and state how brochures for those programs may be obtained.
6. **Updating.** Sponsors are required to file an amendment to the brochure promptly after any information in the brochure becomes materially inaccurate. Amendments may be made by use of a “sticker”, *i.e.*, a supplement affixed to the brochure that indicates what information is being added or updated and states the new or revised information, as long as the resulting brochure is readable. Stickers should be dated and should be incorporated into the text of the brochure when the brochure itself is revised.
7. **Contents of Brochure.** Include in the brochure prepared in response to this Schedule:
 - (a) on the cover page, the sponsor’s name, address, telephone number, and the following legend in bold type or some other prominent fashion:
This brochure provides clients with information about [name of sponsor] and the [name of program or programs] that should be considered before becoming a client of the [name of program or programs]. This information has not been approved or verified by any governmental authority.
 - (b) a table of contents reflecting the subject headings in the sponsor’s brochure.
 - (c) the amount of the wrap fee charged for each program or, if fees vary according to a schedule established by the sponsor, a table setting forth the fee schedule, whether such fees are negotiable, the portion of the total fee (or the range of such amounts) paid to persons providing advice to clients regarding the purchase or sale of specific securities under the program (“portfolio managers”), and the services provided under each program (including the types of portfolio management services);

**Schedule H of

Applicant: N/A	SEC File Number: 801-	Date:
-------------------	--------------------------	-------

- (d) a statement that the program may cost the client more or less than purchasing such services separately and a statement of the factors that bear upon the relative cost of the program (*e.g.*, the cost of the services if provided separately and the trading activity in the client's account);
- (e) if applicable, a statement that the person recommending the program to the client receives compensation as a result of the client's participation in the program, that the amount of this compensation may be more than what the person would receive if the client participated in other programs of the sponsor or paid separately for investment advice, brokerage, and other services, and that the person may therefore have a financial incentive to recommend the wrap fee program over other programs or services;
- (f) a description of the nature of any fees that the client may pay in addition to the wrap fee and the circumstances under which these fees may be paid (including, if applicable, mutual fund expenses and mark-ups, mark-downs, or spreads paid to market makers from whom securities were obtained by the wrap fee broker);
- (g) how the program's portfolio managers are selected and reviewed, the basis upon which portfolio managers are recommended or chosen for particular clients, and the circumstances under which the sponsor will replace or recommend the replacement of the portfolio manager;
- (h) (1) if applicable, a statement to the effect that portfolio manager performance information is not reviewed by the sponsor or a third party and/or that performance information is not calculated on a uniform and consistent basis,

(2) if performance information is reviewed to determine its accuracy, the name of the party who reviews the information and a brief description of the nature of the review,

(3) a reference to any standards (*i.e.*, industry standards or standards used solely by the sponsor) under which performance information may be calculated;
- (i) a description of the information about the client that is communicated by the sponsor to the client's portfolio manager, and how often or under what circumstances the sponsor provides updated information about the client to the portfolio manager;
- (j) any restrictions on the ability of clients to contact and consult with portfolio managers;
- (k) in narrative text, the information required by Items 7 and 8 of Part II of this form and, as applicable to clients of the wrap fee program, the information required by Items 2, 5, 6, 9A and C, 10, 11, 13 and 14 of Part II;
- (l) if any practice or relationship disclosed in response to Item 7, 8, 9A, 9C and 13 of Part II presents a conflict between the interests of the sponsor and those of its clients, explain the nature of any such conflict of interest; and
- (m) if the sponsor or its divisions or employees covered under the same investment adviser registration as the sponsor act as portfolio managers for a wrap fee program described in the brochure, a brief, general description of the investments and investment strategies utilized by those portfolio managers.

8. Organization and Cross References. Except for the cover page requirements in Item 7(a) above, information contained in the brochure need not follow the order of the items listed in Item 7. However, the brochure should not be organized in such a manner that important information called by the form is obscured.

Set forth below the page(s) of the brochure on which the various disclosures required by Item 7 are provided.
